Bethany Kwan: We will be having a LIVE discussion with Dr. Kilbourne at 9:35am MT. Please submit questions in the chat here or in the discussion forum

<https://coprhcon.learningtimesevents.org/d1s4/#comments>

Bethany Kwan: I will be moderating the 9:35 session and will be presenting your questions for the Q&A

LearningTimes: If you're having difficulties watching this stream, you can find it directly on the following page by selecting the "Watch the Presentation" button on the left of the page:

<https://coprhcon.learningtimesevents.org/d1s2/>

Bethany Kwan: The handout for this session is available at

<https://coprhcon.learningtimesevents.org/d1s2/>

Bethany Kwan: Click on "Handouts" and you can download the pdf

Bethany Kwan: Most sessions have a handout posted and have relevant worksheets in the workbook. Check the session link for bios, descriptions, and links to the recorded presentation too.

Bethany Kwan: Slides will be posted with the recordings, typically after the conference, for future reference

Borsika Rabin: Excellent presentation, thank you Dr. Kilbourne! You mentioned the role of pragmatic research in addressing health disparities. Can you please also reflect on how use of pragmatic research/D&I research could inadvertently contribute to deepen health disparities?

Bethany Kwan: Reminder to send your questions for Dr. Kilbourne here or in the discussion forum for the panel session <https://coprhcon.learningtimesevents.org/d1s4/#comments>

Bethany Kwan: That was so great, Dr. Kilbourne! Way to kick it off for COPRH Con.
