

Year One:
Planning for Real World Impact
Methods, models, & frameworks for planning pragmatic research.
August 11: 8am - 6pm MDT
August 12: 7:30am - 4:30pm MDT

Colorado Pragmatic Research in Health
2020 VIRTUAL CONFERENCE

Qing: I have some questions

Qing: The University of Colorado Denver Health Data Compass receives and links data from the EHR, Colorado All Payers Claims Data (APCD), the CDPHE Death Registry, and the Colorado Regional Health Information Organization statewide master patient index.

Qing: Is there the interesting group to learn together as this forum?

Qing: After this session ends, how might we learn together as a group?

Cheryl Napier: What do you, as statisticians, most need from your subject matter experts that you tend not to get? that is - what can we do to make your lives easier & more effective?

vedant: Please feel free to unmute yourself and participate. :)

Steffani Blackstock, CMP: This session will be repeated again shortly. You can choose another breakout session <https://cophcon.learningtimesevents.org/d2s4/>
