

Jeremy Graber: For models developed from observational data, would it be common to submit both STROBE and TRIPOD checklists?

Jeremy Graber: thank you!

Jeremy Graber: Can you speak to the learning curve for developing R shiny apps for prediction models? For someone with intermediate coding experience? I would like to use R shiny for clinical decision support applications in the future

Krithika Suresh: <https://shiny.rstudio.com/gallery/>

Jeremy Graber: Great, thank you!
