

Elizabeth Juarez-colunga: how sensitive is the CAC to small sample size

Elizabeth Juarez-colunga: ?

Elizabeth Juarez-colunga: I wonder how much a CAC may be trusted for planning a large study when you've estimated perhaps from a smaller study

ds2567: has there by any work in adaptive SWDs where the correlations are re-estimated once the study starts and more data are accrued, and the the SWD re-designed accordingly?

ds2567: \*\*has there been...

ds2567: Great talk!
